

## Press Release

Habitat - Valencia  
28<sup>th</sup> September – 2<sup>nd</sup> October 2010  
P6- N2 Stand E 156

### The world PLUST Collection arrives in Spain

PLUST Collection takes part at the Habitat trade show, the international and annual appointment in Valencia that has become in the latest years one of the most important showcase related to the design and contract fields.

A selection of the best products belonging to the four collections signed by PLUST Collection will be displayed in the stand where the writer Duke 103 will interpret the world of the Italian brand with a performance scheduled for Thursday the 28<sup>th</sup> at 12 pm.

Vases, lamps, chairs, tables and complements for a warm atmosphere characterized by the colours and the strong personality of the PLUST Collection complements suitable for furnishing with elegance and flexibility both the private then the contract spaces.

Collections came out from the pencil of leading Italian and international designers that along the years, have interpreting the soul of the brand PLUST Collection experimenting on materials in search of new aesthetics and functions related to the contemporary living.

Versatile and wide-ranging the complements PLUST Collection, thanks to the large range of finishes as lacquered, golden leaf, matt laquered and coloured, are the perfect solution for furnishing all kind of space.
