## 2° STEP / ÉTAPE / FASE

Posizionare le gambe di Planet Table in corrispondenza della staffa (per il piano lungo) e dei fori liberi e fissarle avvitando le 6 viti (A).

**Per Planet table cm 90 x 90:** inserire le rondelle (C) nella vite (B) come da immagine, quindi avvitare.

*Place the legs of Planet Table against the plate (for the long surface) and the free holes and secure them using the 6 screws (A).*

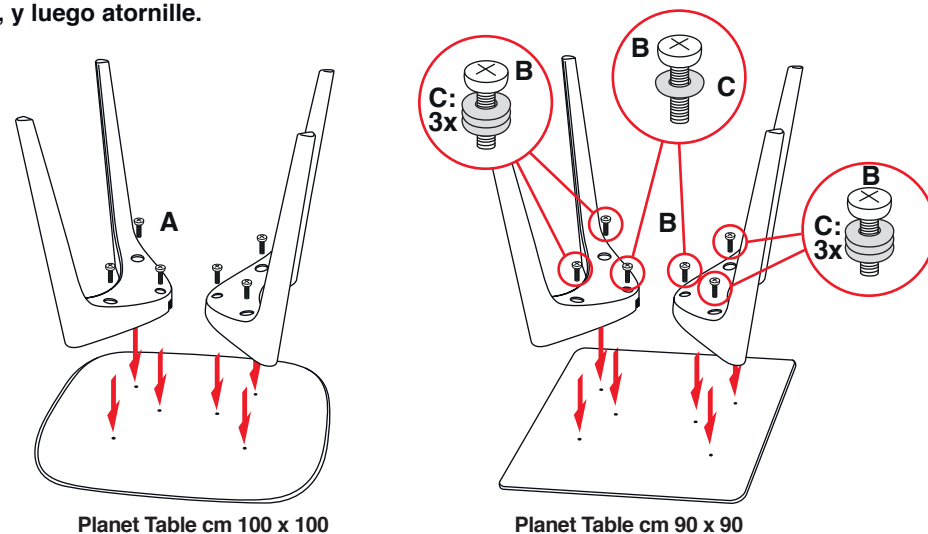

**For Planet table cm 90 x 90:** insert the washer (C) in the screw (B) as in the image, then secure it.

*Poser les pieds de Planet Table en regard de la bride (pour le plateau long) et des trous libres, et les fixer à l'aide des 6 vis (A).*

**Pour Planet table cm 90 x 90:** insérez la rondelle (C) dans la vis (B) comme illustré ci-dessous, après fermez bien.

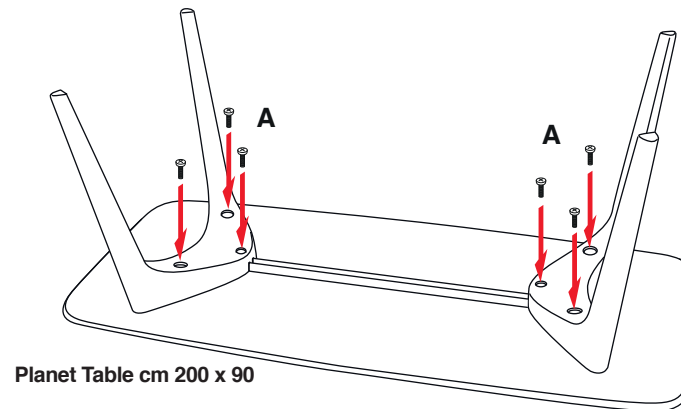

*Posicionar las patas de Planet Table en correspondencia de la abrazadera (para el tablero largo) y de los orificios libres y fijarlos atornillando los 6 tornillos (A).*

**Para Planet table cm 90 x 90:** inserte la arandela (C) en el tornillo (B) como se ilustra en la figura, y luego atornille.
